Forecast for Tuesday 29 Nov 2022

Weather: Dry with clear periods at first and some low level fog patches. Daylight hours will be dry with some good sunny periods, with just some high cloud around in the afternoon. The odd shallow fog patch may linger in one or two glens.

Chance of cloud-free hill tops above 800m: More than 90%.

Low Cloud and visibility: Some low cloud below 450m over the Perthshire hills, otherwise no cloud of note. Visibility generally good, but very poor in any low level fog patches.
